- Campsite availability is limited. Applications will be processed in the order of receipt. Priority will first be given to non-local applicants; local applicants will then be accepted as space allows. Merchants with permanent structures or with specific permission from the Camping Coordinator for temporary structures may camp at their merchant location. Please keep in mind that the camping deposit is in *ADDITION* to your merchant cleaning deposit.
- Please remember a separate registration form and \$50 deposit will be required for each camping space/tent used. The deposit will be returned in full if you include a self-addressed stamped envelope (SASE) or else destroyed providing your campsite is left clean. Ordinary wear will, of course, be allowed.

**Please read the following rules and sign below to indicate your acceptance to abide by said rules. Failure to comply may result in expulsion from the campsite. For any Volunteers this may also mean expulsion from all Faire activities.**

1. No personal campfires will be allowed. One communal fire pit will be provided (Parks Regulations). Small propane cook stoves are allowed.
2. All campers under the age of 18 must be accompanied by a parent or guardian, no student sponsors will be allowed.
3. Keep your area clean of trash; your site will be inspected before your deposit is returned.
4. No weapons or firearms may be carried in the camp area, with the exception of merchants putting away their wares for the evening and properly peace-bound items.
5. Please do not wander in and out of the campsite during the faire day. We do not want to draw the patrons' attention to the campsite.
6. Only registered campers are allowed in the campsite. Guests may register with the camp coordinator for visits. Failure to register a guest may result in eviction from the campsite. We want our site to be as secure as possible for the safety of ourselves and our possessions.
7. Your location will be assigned to you by the camp coordinator. If you setup in a location not assigned to you, you may be asked to move.
8. No hookups will be provided. Porta Potties will be available. One Camp shower will be available. Please bring robes and sandals for use. Only specifically marked biodegradable camp soap/shampoo will be allowed. Any other soap used will result in suspension of shower privileges.
9. Pets must be leashed and supervised at all times.
10. You must obey all rules and regulations imposed by Parks regarding the communal Bon-Fire.
11. Quiet Time will be enforced at 11:00pm. Quiet Time does not equal silence, but it does mean reasonably low conversational tones.
12. Plastics and other trash are **not** to be thrown into the campfire. (i.e. cigarette butts and food wrappers)
13. Campers are **not** allowed to use the electrical boxes located on site except by special permission from the Camp Coordinator.
14. Unregistered Campers will be asked to leave immediately.
15. The camp shower is to be kept clean. This shower is being provided as a courtesy by GSLRF. If the privilege is abused, the shower will be removed.
16. Application must be received two (2) weeks prior to opening day. No on-site applications will be accepted.

**I have read the above and agree to abide by the rules set forth by the Greater St. Louis Renaissance Faire. I further agree that the Greater St. Louis Renaissance Faire is in no way responsible for the loss of property, injury, theft or acts of God. I certify that the above information regarding pets is true and accurate and take full liability and responsibility for any problems caused by my pets or my failure to properly supervise my pets.**
